

The Dignity of Work

Much of our modern culture is beset with confusion and contradictions concerning the meaning and purpose of human work. Join with other Catholic men to view and discuss the *Into the Breach: The Dignity of Work* video series. This series examines the nature of work and its role in a man's life and his sanctification, as well as its role in ordering creation.

Called to Conversion

Christ calls us to a life of continued formation so that, with grace, we can seriously engage the war for our souls. That's why the Knights have produced the *Into the Breach: The Dignity of Work* video series, containing five episodes including: God's Mission for Man, Work and Holiness, Work Life and Family, Work and the World, and Putting Work in Its Place.

Ready for Battle

Prepare yourself for the spiritual battle raging around you. To step into the breach requires every man to have faith and take action. The *Into the Breach: The Dignity of Work* series helps men understand the Catholic vision of human work and challenges them to embrace this vision and integrate meaningful and fulfilling work into their lives.

Building a Brotherhood

"Iron sharpens iron, and one man sharpens another" (*Proverbs 27:17*). Through shared experience and small group discussion, men build a brotherhood while reflecting on the truth and meaning of human work.
