This item drive is part of the Knights of Columbus Aid and Support After Pregnancy (ASAP) program to help moms and their new babies. Last year, the Knights – through gifts from councils, as well as direct gifts from the Supreme Council – donated more than \$5 million to pregnancy resource centers and maternity homes. The Knights' ASAP program enhances the significant resources the Knights and local councils provide to mothers and their children, both born and unborn.

Knights of Columbus believe in the dignity and worth of every human life, and work tirelessly, through prayer and action, to support mothers and their children. Our members are dedicated to serving pregnancy centers and maternity homes, providing maternity and baby clothes, diapers, food and other items to women and children. Join us in growing the pro-life safety net the Knights have long supported.

Council (_____) in (_____) is one of thousands of Knights of Columbus
Number _____ City _____

councils that make up the world's largest Catholic fraternal service organization. Founded in 1882 to assist working-class and immigrant Catholics in the United States, today the approximately two million members of the Knights put their faith into action through a broad range of charitable causes locally, nationally and internationally through financial contributions and hands-on service.
