

# Build-a-Bed

---

**Join members of your parish,  
local Knights of Columbus council  
and Sleep in Heavenly Peace  
chapter to build beds for children  
in need in your community.**

Thousands of children sleep without a bed each year. The Knights of Columbus, working with the non-profit organization Sleep in Heavenly Peace, is committed to giving every child access to the comfort of a bed so that no child sleeps on the floor.

By committing a few hours of your day to a Build-a-Bed event, you will have the opportunity to work with other families, parishioners, and your wider community to help those less fortunate in your own neighborhood. As a volunteer, you will build the bed from scratch and witness the effect of your hard work by delivering the beds directly to families.

No past experience with carpentry or construction is required. Simply show up, listen to the instructions provided by the Build-a-Bed program leaders, and you'll be on your way to changing the lives of the children in your community.

More information about your local build is below. Contact your local Knights of Columbus and get involved now!
