Bringing the Domestic Church to your Home

The Knights of Columbus Family Prayer Night is the perfect way to begin building the domestic church within your home. A Family Prayer Night is an informal gathering of families in a parishioner's home for a night of fun activities, light faith formation and fellowship with your parish community.

Catholic families often struggle with the reality that they do not seem to have the opportunity to socialize and/or pray with other faith-filled Catholic families. It can be quite a challenge to raise our children in the faith when their only exposure to it beyond the parish is from Mom and Dad. Put plainly, the majority of our time can easily be spent in secular circles unless we intentionally create ways to live out the domestic church.

Family Prayer Night is an excellent opportunity for parish families to come together for prayer, dinner and fellowship. This group is the perfect place to pray for guidance and discuss milestone events such as an upcoming wedding, anniversary or birth announcement. It is also an opportunity to offer support in cases of illness, death or other concern.

Contact the Knights of Columbus council in your parish if you are interested in hosting or participating. They can also provide you with more information so you can get started right away!

Getting Started

The beauty of this program is in its simplicity. If you have a parish community, a gathering space and a few appetizers, then you have a Family Prayer Night!

This meaningful program has a lot to offer. It's the perfect way to welcome newer members of your council or parish. You also get to know the church community in a much deeper way. Who would have guessed that the nice lady from two rows over that you see every Sunday is actually an accomplished jazz pianist.

This is a great way to inject community spirit into your parish family!
