Dear Brother,

Thank you for accepting the call to plan faith-filled, engaging activities for your council. This Fraternal Planner offers a suggested schedule for popular program events and includes key guidelines for activities.

When planning your events remember that it was Father McGivney's zeal for souls that led to the founding of the Knights of Columbus. He recognized the need to form men in their faith and provide opportunities to keep them engaged in the life of the Church.

Charity is the virtue that attracts so many men to the Order. Our Catholic identity should be evident at every activity, animating men of faith in the performance of great works of mercy. Council activities should empower Catholic men to grow in their faith and serve their family, parish, community, and country.

We have many resources to help you bring Father McGivney's vision to your parish and community. Please subscribe to the Fraternal Leader Advisory newsletter and attend our monthly webinars (available on-demand) to stay informed on all the latest developments.

I wish you every success in the coming year.

Vivat Jesus!

John Moulder
Vice President, Fraternal Operations

The EFF Director is responsible for leading, planning, communicating, and scheduling *Cor*, and building a team of men from the council and parish to assist. The Grand Knight remains the main point of contact with the pastor and parish and is encouraged to bring his appointed Council EFF Director into conversations concerning *Cor*. The involvement of the Grand Knight in *Cor* is optional and should be determined by the Grand Knight and Council EFF Director. For all *Cor* startup training and resources, visit the *Cor* home page at www.kofc.org/cor. Additional training and formation resources are available for the EFF Director and team at www.kofc.org/corleaders.

OFFICE OF YOUTH PROTECTION SAFE ENVIRONMENT PROGRAM (SEP)

KOFC.ORG/SAFE

Certain state and council officers/directors are required to complete the Order's safe environment training and may also be required to provide authorization for a background check.

If members in these roles are not compliant within 30 days of notification, they are subject to removal from those roles.

Unique, valid, and personal email addresses are required when completing appointments online for all roles listed below. Praesidium, the Order's safe environment partner, will email appointed members assigned usernames and passwords to complete the training. They will also email a personalized link to provide background check authorization to members requiring background checks. The Knights of Columbus covers the costs associated with these requirements. Although the grand knight may also

hold one of the following roles, there must be three (3) different members assigned to the program, family, and community director roles.

Email notifications are unique to each recipient and cannot be forwarded or used by any other member. The time-sensitive notifications require the recipient to complete training and background check authorization within 30 days of receipt.

All members who have access to Officers Online may view the safe environment status of their council or jurisdiction each week on the Reports tab.

For a council to be compliant with the safe environment program (SEP), all SEP roles must be filled and compliant.

Member Compliance with Diocesan Safe Environment Requirements

The first requirement of the Knights of Columbus Safe Environment Program is for our members to be compliant with diocesan safe environment requirements applicable to members' volunteer activities in their parish.* When members volunteer at an activity sponsored by a Knights of Columbus council in their parish* they not only volunteer for the Knights of Columbus, but they also serve as parish volunteers. Knights of Columbus asks no more and no less than for its members to be treated just like any other parish volunteers. Just like any other parish volunteers, members volunteering in their parish* must comply with all safe environment requirements applicable to parish volunteers in their diocese.

To assist parishes in helping members comply with diocesan safe environment requirements, grand knights and financial secretaries should follow these best practices:

1. Make a list of all members who serve as volunteers in their parish* for one or more Knights of Columbus programs, events, and activities. ("Eligible Member Volunteer List").
2. Ask each member on the list whether he has completed the diocesan safe environment training and background screening.
3. If the member volunteer has already completed the diocesan requirements, then the date of completion of the diocesan requirements should be recorded next to the member volunteer's name on the council's Eligible Member Volunteer List.
4. If the member volunteer has not completed the diocesan requirements, he must do so as soon as possible to maintain his eligibility to continue to volunteer for the Knights of Columbus in their parish.*
5. The council should provide its Eligible Member Volunteer List to the parish priest, the parish safe environment liaison, and to the diocesan safe environment coordinator upon request.
6. The council should update its the Eligible Member Volunteer List with new member volunteers who become eligible to volunteer in their parish.*
7. The council should confirm the names on its Eligible Member Volunteer List regularly throughout the fraternal year.

Membership alone does not constitute volunteer activity. Membership does not require volunteer activity in a parish.* Members are not exempt from diocesan safe environment requirements applicable to parish volunteers by virtue of their being members. Council business meetings are limited to members over 18 years old, and are not a parish or church ministry. The table below shows how diocesan and Knights of Columbus safe environment requirements generally relate to members:

Knights of Columbus Activity	Diocesan Safe Environment Program	KofC Safe Environment Program
Membership Only	n/a	n/a
Council Meetings – (closed, members-only business meetings)	n/a - (unless a parish is unable to reserve a dedicated time and place for council meetings where it is unavoidable that council meetings share the same time and place as parish ministries at which minors are present (e.g. Religious Education, youth ministry, etc.))	n/a
Church, Diocesan, and Parish Ministries	✓	n/a
KofC Volunteer Activities on Parish Property, OR off Parish Property when related to a Diocesan/Parish Ministry where minors are present	✓	✓
Non-Diocesan/Parish Volunteer Activities Off Parish Property where minors are present	n/a	✓

*Or off parish property when related to a diocesan/parish ministry.

PLANNING YOUR CHURCH DRIVE

In addition to constantly extending the offer of membership to every eligible man, every council should hold at least two Church recruitment drives each fraternal year. Church drives allow your council the opportunity to invite every man of your parish to be a part of your council. The success of your Church recruitment drive will largely depend on the planning and preparations your council makes leading up to it. This worksheet can be used to note who is in charge of each task and to note completed once done.
