## *Prayer of Thanksgiving*

---

Almighty God, we thank you for the life of (*mention young woman's name*) and for all the blessings you have bestowed upon her.

We ask you to continue to bless her as she enters this next stage of her life.

Please grant her an abundance of wisdom and guide her in all her decisions so that everything that she does may be pleasing to you, her Heavenly Father.

Help her to grow in virtue and to pursue a life of holiness, ever striving after the goal of Heaven and following in the footsteps of your saints, especially the most holy Virgin Mary.

We ask this in the name of your Son, Jesus Christ, in the unity of the Holy Spirit. Amen.
