

## Lives Are Blessed When We Unite in Charity.

**With United in Charity®**, your generosity goes further and does more. That's because you unite your own efforts with Knights on the ground working to heal the suffering, protect the vulnerable, strengthen families, and build the Church all around the world.

In this collective effort, not a dollar is wasted: 100% of your donation goes to aid those we serve through our charitable programs. Thank you for standing shoulder-to-shoulder with the Knights of Columbus to bring Christ's love to a suffering world.

### A MESSAGE FROM ERIC

Every day, we see the impact you make through United in Charity®. Whether it's protecting the personhood of a baby in the womb through our Ultrasound Initiative or keeping a child safe from the winter cold through Coats for Kids®, your United in Charity gift is touching the lives of the most vulnerable all around the country. May Our Lord continue to bless you! You are such a valued part of our work!

With gratitude,

**Eric Oulette**  
Director of Charitable Giving

## 2025 FALL IMPACT REPORT

### LIVES SEEN, LIVES SAVED

It's widely understood that one of the critical factors in helping a woman choose life is seeing her preborn child via ultrasound. Your United in Charity generosity is helping build a culture of life across America, one ultrasound machine at a time.

Through the Knights of Columbus' Ultrasound Initiative, state and local councils work directly with pregnancy resource centers to purchase ultrasound machines, which can often cost \$10,000 or more. Just last month, our 2,000th ultrasound machine was announced at the annual Knights of Columbus Supreme Convention — a mobile unit that will serve pregnant women around the state of Virginia.

**"To receive a donated ultrasound machine is just unbelievable, to be honest. I was blown away by the fact that there were so many donations to be able to buy such an expensive piece of equipment!"** Sarah, ultrasound technician.

All told, an estimated 1.5 million women have seen their preborn child for the first time on ultrasound machines procured by the Knights of Columbus. Who knows how many young children are alive today because we were United in Charity!

### WARMTH FROM THE WINTER'S CHILL

Your care for children extends long beyond the womb. A beautiful manifestation of your United in Charity impact is the Knights of Columbus Coats for Kids® program. Coats for Kids exemplifies our shared mission of charity and providing for the most vulnerable members of society. It ensures that no child goes through the upcoming winter without a good coat to keep them warm.

Coats for Kids is truly a team effort. 1,500 councils participate in annual distributions, which take place across all 50 U.S. states and 10 Canadian provinces. And the sum total of our United in Charity effort is truly staggering! Since 2009, Coats for Kids has provided warmth to over 1.4 million children in need — and approximately 200,000 more coats will be distributed this year. As the nights grow long and the days grow cold, your generous support helps keep children safe and warm. Thank you!

### THANKS TO YOUR GENEROUS SUPPORT OF THE KNIGHTS OF COLUMBUS

**OVER 2 MILLION  
PEOPLE HELPED  
AND 10 MILLION  
POUNDS OF  
SUPPLIES HAVE  
BEEN DISTRIBUTED
